†If skipped with AP credit,	• Must complete 2 CS courses + Disc Math Prof to declare.			
replace with elective.	Grades below C- cannot count (before declaring).			
	 Only first course towards major can be P/F (except S20). 			
††One CS elective may be	 Ind studies/thesis courses do not count as electives. 			
replaced with 2 Math electives.	 All exceptions must be approved by the Chair. 			
	An exceptions must be approved by the Chair.			

Fall 20	Spring 20						

CS Study Away Guidelines and Information

- Study Away credit for CS courses is possible at most English speaking programs
- Credit may be obtained for non-English programs on a case-by-case basis
- Common programs: AIT Budapest, WEPO
- Common core courses taken abroad: Theory of Computation, Algorithms, Programming Languages
- Students generally find courses taken abroad to be less rigorous than our courses
- Beware of prerequisites and assumed prior knowledge (particularly for systems-oriented electives)
- You may receive credit for no more than 2 CS courses (elective or core) and 1 Math course
- You cannot receive credit for the same course twice (i.e., If you take Machine Learning abroad, you cannot take it at Williams.)
- You will receive four colloquium credits for each semester away, up to a total of eight credits.
- You must get approval for courses you plan to take abroad for credit before taking them
- To get approval, email the Chair with a syllabus and course description for each course you plan to take
- Upon returning to Williams, submit Study Away Evaluation form to receive course credit

All of this should be done in addition to the official protocol specified by the Study Away office.

Notes:
